Intro, V1, PC, C, V2, PC, C2, B, C2, Tag

## Verse 1

You say come, all who are thirsty  
I will satisfy  
You say come, all who are burdened  
I will lighten the load

## Pre Chorus

As the heavens are higher than the earth  
So Your ways are so much greater than my own  
As the rain falls from heaven to the earth  
So Your word will ever overwhelm my soul

## Chorus

You are greater than it all  
You are greater than it all  
So I trust You with it all

## Verse 2

You say go forth in peace  
And I'll release my strength  
You say go live in joy  
And I will carry you (oh)

## Pre Chorus

As the heavens are higher than the earth  
So Your ways are so much greater than my own  
As the rain falls from heaven to the earth  
So Your word will ever overwhelm my soul

## Chorus 2

You are greater than it all  
You are greater than it all  
So I trust you with it all  
God, I trust you with it all

## Bridge

The mountains, the trees  
The sunset, the breeze  
Declare Your majesty

The flowers, the leaves  
The desert, the sea  
Declare your majesty (You are so much greater)
