

Whom Have I [Lyrics, 68 bpm, 4/4]

[Default Arrangement] by Chandler Blueberg & Elaina Marchegger

Intro, V1, PC, C, V2, C, Ref, B, C, Ref

Verse 1

I'm so stuck in who I am
That I'm losing sight of You
I know the world is in Your hand
But I try to hold it in mine, too

Pre Chorus

But I'm done hurting, done searching
For what this world can offer me

Chorus

And My whole world will fade away
When I see You face-to-face
You call me child

And all the pain inside my heart
Melts away inside Your arms
The fear is forgotten
Because whom have I in heaven

Verse 2

Jesus, You are all I need
Nothing else will do
I'm letting go of everything
And holding on to You

Chorus

And My whole world will fade away
When I see you face-to-face
You call me child

And all the pain inside my heart
Melts away inside Your arms
The fear is forgotten

Refrain

Because whom have I in heaven
Whom have I in heaven
Whom have I in heaven
Whom have I in heaven

BRIDGE

I lay it all down, I lay it all down
I lay it all down at Your feet

I lay it all down, I lay it all down
I lay it all down at Your feet

It's all for You, God, It's all for You, God
It's all for You, and not for me
