You'll set this captive free.

## VERSE 2

Oh Lord in the midst of all my suffering  
Let faith speak louder than anxiety.  
You brought me this far and You won't leave me here.  
No, You wont leave me here.

## CHORUS 1

Lord, glorious in power, faithful to deliver,  
You are my strength and my song.  
And I know You'll come to my rescue and even now I'll praise You,  
Cause You have been good all along.  
You have been good all along.
