INTRO

VERSE 1

Surrounded by the presence of my enemies.
How long will this darkness keep pursuing me?
I know You will come and set this captive free.
You'll set this captive free.

VERSE 2

Oh Lord in the midst of all my suffering
Let faith speak louder than anxiety.
You brought me this far and You won't leave me here.
No, You wont leave me here.

CHORUS 1

Lord, glorious in power, faithful to deliver,
You are my strength and my song.
And I know You'll come to my rescue and even now I'll praise You,
Cause You have been good all along.
You have been good all along.

TURNAROUND

VERSE 3

Triumphant, God You save me from my enemies.
The mention of Your name makes the darkness flee.
Oh, who is like You Lord? You reign in majesty.
You reign in majesty.

There's never been a moment where You weren't on the throne.

BRIDGE 2

You don't leave, You won't forsake me,
I'll be still and know I'm safe here.
In the shadow of Your wings,
You were and will always be.

My confidence, my king,
The one who fights for me.
My refuge and my strength,
