## VERSE 1

**Bm7**  
God, I'm a little confused;  
**F#m7**  
Don't really know what to do.  
**Em7**  
I feel the weight of this news;  
**Gmaj7**  
I've no strength to pull through.

## VERSE 2

**Bm7**  
I've got nothing but tears  
**F#m7**  
And this shakening fear.  
**Em7**  
So many questions appear,  
**Gmaj7**  
don't know whats happening.

## PRE-CHORUS

**G** **A**  
But I know as I try to make sense of this mess,  
**G A Bm7 Asus4**  
I must look to You, Lord, instead.

## CHORUS 1

**D**  
This is my prayer of surrender,  
**Em7**  
Cause I'm hurting more than ever  
**D/F#**  
And I've tried everything,  
**G**  
Now I'm just on my knees.

## CHORUS 2

**D**  
This is my prayer of surrender,  
**Em7**  
Can't pretend I have it all together,  
**D/F#**  
You reign over everything,

And mend every ripping seam.

For You are always near.

When I'm hurting, You hold me close,

For nothing in this world

Could satisfy my soul

Like Your love, unconditional.
