INTRO

VERSE 1

You took Your last breath so I could take my first
You sent Your Son to show me what I'm worth
Nail pierced hands and yet mine don't serve
I wanna pick up my cross, 'cause in You I'm immersed

CHORUS

You're my treasure, holy is Your name
You're my prize, I did nothing to gain
You're my treasure my re - ward
Take all my praise, it's a portion of what You deserve

TURNAROUND

VERSE 2

Lilies and sparrows You dress in fine clothes
But how much more do You clothe me in royalty robes
Mirrors lie and anxiety tears the seams
But You stitch them up and whisper you're treasure to me

CHORUS

INTERLUDE

BRIDGE 1

You gave all of You, so I'll give all of me
There's nothing I could ever need
But just You and me for all eternity Lord

BRIDGE 2

Rubies and gold next to You stand worthless
I don't even see them I don't even see them
Your splendor floods the room, my idols they bow down
I don't even see them I don't even see them

BRIDGE 1 > BRIDGE 2

BRIDGE 3

'Cause treasure next to You loses its meaning
You are the only one I see
My fragrance and perfume I'll pour it on Your feet
You are the only one I see

TAG 1

The only one I see
The only one I see
The only one I see

VERSE 3

There will be a day it's coming on the wind
Where every tongue and tribe and every nation
Bows upon their knees and sings out the chorus
You are our treasure, You are our treasure

You are our treasure, You are our treasure
You are our treasure, You are our treasure
