INTRO

VERSE 1

This is a surrender
My white flag in embers
I'm done with searching treasure
That belongs to the world

TURNAROUND

VERSE 2

I was lost in my way
But You pulled me back with Your grace
Forever You are Yahweh
So I cry to You

TURNAROUND

CHORUS

So take me, oh take me as I am
And break me until I understand
That You are sovereign, always working
Even if my life isn't what I planned
You'll lead me on the path You have ahead
Oh Lord I need all of You

TURNAROUND

VERSE 3

You are my provider
Oh God I choose forever
Come crush all my own towers
'Cause You reign most high

TURNAROUND

VERSE 4

And I just wanna see Your face
Watch all my idols fade away
Your presence is in every place
So I cry to You

TURNAROUND > CHORUS

INSTRUMENTAL

BRIDGE 1

Don't know who I am anymore
Lost control and I slammed the door

All of You - Intro, V1, Turn, V2, Turn, C, Turn, V3, Turn, V4, Turn, C, Inst, B1, B2, Vamp, C, Outro, E

Took the wheel and drove far from my home
I tried to be something more
And searched the world to make me full
Lost my grip and washed up on the shore

BRIDGE 2

It's only You who can satisfy
Your way 'til the end of time
I want the fruit straight off of Your vine
Please come reconstruct my soul
It's only You who can make me whole
I will run to You and You alone

VAMP

CHORUS

OUTRO

Lord I need all of You Oh Lord I need all of You
