## INTRO 2X

### VERSE 1

How can the keeper of the cosmos carry the cross  
How can the King of All Creation dwell in the dust  
What kind of love is this, no words could be enough

### CHORUS

Oh the precious mystery, the King of Eternity  
Beckons His redeemed, together we sing  
Oh the endless riches of the promise written in His blood

### VERSE 2

How can the forsaken find favor before Your throne  
Or those in the grip of darkness be called home  
What kind of love is this, no words could be enough  
The Spirit of the Lord brings freedom

### CHORUS

## INTERLUDE 2X

### BRIDGE 3X

We come before His holy throne  
Clothed in His EG#righteousness  
All praise belongs to Him alone  
So we sing holy
