

Never Been More Sure [A, 70 bpm, 4/4]

[Canyon Worship] by Harrison Russell, Shailen Stewart, Jonathan Raingruber

V, PC, C, Turn, V, PC, C, Inter, B1, B2, C, E

VERSE 1A

Though the waters rise, I won't be afraid
I know the One who parts the waves
Though the winds blow strong, I will not be moved
My foundation is built on You

PRE-CHORUS 1A

Lift my eyes up to You in the trial
You alone are where my help comes from
Mourning turns to dancing with just one word
In Your love I am secure

CHORUS 1A

You hold me in the valleys
You hold me in the night
No amount of distance
Could hide me from Your sight
I'll follow where You lead me
With hope that stands secure
Father you won't falter
I've never been more sure, I've never been more sure
