### VERSE 1

I'm in love, I'm in love  
I'm in love I'm in love  
How could I not lift You high, You show up time after time

### VERSE 2

You're enough, You're enough  
You're enough, You're enough  
Accusations set aside  
Heaven's gates swung open wide

## TURNAROUND 2X

### VERSE 2

#### PRE-CHORUS 1

My grip on this shame is loosening  
You opened my eyes to see

#### CHORUS 1A

Oh Your heart for me  
Grace abundantly  
I've tasted and I've seen  
I know, I know there's nothing better

#### CHORUS 2A

Look I've been washed clean  
Sing with the redeemed  
I've tasted and I've seen  
I know, I know there's nothing better

#### POST-CHORUS 2X

I know there's nothing better  
I know there's nothing better

Your hold on my soul is so freeing  
You opened my eyes to see
