## INTRO

## VERSE

You are the one that I long for  
My heart yearns for You  
Just to dwell here and be in Your presence  
It's the one thing I ask of You

## PRE-CHORUS

What more could I want

## CHORUS

Jesus, a day with You is better  
Than a thousand anywhere else  
Nothing this world could ever offer  
Could come close to what I've found  
There's not a single thing worth keeping  
If it means not having You  
You're the reward, my only portion  
I trade it all to know You

## TURNAROUND

## VERSE > CHORUS

## INSTRUMENTAL

## INTERLUDE

## BRIDGE 2X

All I want is You  
All I want is You  
All my days I'll live within Your love  
Jesus all I want is You

## TAG

All I want is You  
All I want is You
