Intro, V1, PC, C, Inst, V2, PC, C, B, C, Outro

Verse 1

We look for the promise
We look for the hope
And on the horizon
We see the glow

Pre Chorus

Of the light of the world, the peace in our hearts
Each burden and failure will crumble apart

Chorus

Your heart beats for your children
Your love, it draws us near
Your eyes see all around us
We don't have to live in fear

Death has no hold on the hearts seeking Yours
I'm chasing after Your heart
Ohh, I'm chasing after Your heart

Verse 2

Because of Your power
Because of Your Son
We know that we triumph
Over all

Pre Chorus

The darkness of night will not overcome
The thundering roar of the Holy One

Chorus

Your heart beats for Your children
Your love it draws us near
Your eyes see all around us
We don't have to live in fear

Death has no hold on the hearts seeking Yours
I'm chasing after Your heart
Ohh, I'm chasing after Your heart

Bridge

I'm cha-a-sing after, cha-a-sing after
Cha-a-sing after Your heart
I'm cha-a-sing after, cha-a-sing after
Cha-a-sing after Your heart

I'm cha-a-sing after, cha-a-sing after
Cha-a-sing after Your heart
I'm cha-a-sing after, cha-a-sing after
Cha-a-sing after Your heart
