Verse 1

Waking up feels like it's lost meaning
And there is no one to run to
You're the one that keeps my heart beating
And I will lift my eyes to you

Chorus

I can't believe how You love me
I can't believe how You love me

Verse 2

In front of me are all these closed doors
But I know that You'll always guide me
I just need you, I need nothing more
Oh, You're steadfast love so unchanging

Chorus

I can't believe how You love me
(Woah, I can't believe, how You love me, how You set me free)
I can't believe how You love me

BRIDGE

Don't care how high the ceiling
Don't fear what shakes the floor
Because the King of Majesty has walked this road before

You're with me in the valley
Alone You conquered death
To You, I lift my voice when I feel like there's nothing left

Don't care how high the ceiling
Don't fear what shakes the floor
Because the King of Majesty has walked this road before

You're with me in the valley
Alone You conquered death
To You, I lift my voice when I feel like there's nothing left

Chorus

I can't believe how You love me (Woah, oh)
I can't believe how You love me (Woah, oh)
(I can't believe, how You love me, how You set me free, how You love me)
(I can't, I can't believe it)

VAMP

I can't believe how You love me (Woah, oh)
I can't believe how You love me (Woah, oh)
(I can't believe, how You love me, how You set me free, how You love me)
(I can't, I can't believe it)
(I can't, I can't believe it)
