INTRO

VERSE 1

I thought I was found when I joined the crowd,
But my spirit longed for more.
Little did I know that You were the home
That my soul was searching for.

PRE-CHORUS

But now I'm seen, You've made me clean,
I've been renamed, and rearranged

CHORUS 1A

And now I'm Yours,
See I'm not going back to before,
Cause life with You is so much greater
And from now on,
The story of Your grace will be my song,
There's nothing holding me back

REFRAIN

Halle-lujah, halle-lujah
Halle-lujah, halle-lujah

VERSE 2

I once was lost, should've paid the cost,
Separated eternally,
But then You came and You took my place,
Reconciled on Calvary.

PRE-CHORUS 2

It's by Your grace that I've been saved,
The cross repaired me, so I'll declare

CHORUS 1A > REFRAIN

CHORUS 1B

And now I'm Yours,
See I'm not going back to before,
Cause life with You is so much greater
And from now on,
The story of Your grace will be my song,
There's nothing holding me back

CHORUS 1A > REFRAIN 2X

ENDING

Hallelujah
