INTRO

Home is where the heart is
And my heart belongs,
My heart belongs.

TURNAROUND 2X

VERSE 1

I asked you for Your blessing and You didn't hesitate,
You gave me my desires and I threw your love away.
I squandered every penny on temporary things,
Little did I know that I was digging my own grave.

TURNAROUND

VERSE 2

I am just not worthy to stand here in Your grace,
When I returned to You I was so nervous and afraid.
You saw me from a distance with compassion in Your eyes,
You came running up to me and there was nowhere I could hide.

PRE-CHORUS 1

From all the things I've done,
The places that I've been,
Theres no way that You love couldn't bring me back again.
I'm done trying to find a home
In places I don't know,
You're the only place I'll go.

CHORUS 1A

Home is where the heart is
And my heart belongs,
My heart belongs to You.
What a celebration
For all my days,
I will worship You.

CHORUS 1B

Home is where the heart is
And my heart belongs,
My heart belongs to You.
What a celebration
For all my days,
I will worship You.

INSTRUMENTAL

PRE-CHORUS 2

All the things I've done,
The places that I've been,
Theres no way that Your love couldn't bring me back again.

I finally found a home,
My rock, my cornerstone,
You're the only place I'll go.

Home is where the heart is
And my heart belongs,
My heart belongs to You.
What a celebration
For all my days,
I will worship You.

CHORUS

Home is where the heart is
And my heart belongs,
My heart belongs to You.
What a celebration
For all my days,
I will worship,
I will worship You.
