## INTRO

### VERSE 1

Even when the darkness falls  
You are worthy of my all  
In tragedy, in victory Your heart will stay the same  
So my song will still be praise

### PRE-CHORUS 1

Strong enough to save,  
But even if You don't

### CHORUS 1

You are still good even when the rescue doesn't come through  
And You are still here; sometimes silence is Your answer to my prayer  
You're bigger than the trial; You're greater than the storm  
You could part the waters just like You did before  
And You are still good, You are still good

## VAMP

### VERSE 2

Though I'm weak, I will choose trust  
I find strength within Your love  
When my world is shaken, I will run to You  
When I have peace, make me desperate too

### PRE-CHORUS 2

Sovereign Lord of Lords  
Mighty King of Kings  
Strong enough to save  
But even if You don't

### CHORUS 2

You are still good even when the rescue doesn't come through  
And You are still here; sometimes silence is Your answer to my prayer  
You're bigger than the trial; You're greater than the storm  
You could part the waters just like You did before  
And You are still good

## BRIDGE

Jesus, Jesus how I trust Him  
How I've proved Him o'er and o'er  
Jesus, Jesus, precious Jesus  
Oh for grace to trust Him more  
Oh for grace to trust Him more  
Oh for grace to trust Him

**CHORUS 3**

You are still good even when the rescue doesn't come through  
And You are still here; sometimes silence is Your answer to my prayer  
You're bigger than the trial; You're greater than the storm  
You could part the waters just like You did before  
And You are still good,

**CHORUS 4**

You are still good even when the rescue doesn't come through  
And You are still here; sometimes silence is Your answer to my prayer  
If I fall into the fire, I know You'll be there too  
It's not always the miracle that brings me close to You  
And You are still good

**PRE-CHORUS 3**

Sovereign Lord of Lords  
Mighty King of Kings  
Strong enough to save  
But even if You don't

**OUTRO**

You are still good  
You are still good  
You are still good

**ENDING**
