INTRO

VERSE 1

God, I'm a little confused;
Don't really know what to do.
I feel the weight of this news;
I've no strength to pull through.

VERSE 2

I've got nothing but tears
And this shakening fear.
So many questions appear,
don't know whats happening.

PRE-CHORUS

But I know as I try to make sense of this mess,
I must look to You, Lord, instead.

CHORUS 1

This is my prayer of surrender,
Cause I'm hurting more than ever
And I've tried everything,
Now I'm just on my knees.

CHORUS 2

This is my prayer of surrender,
Can't pretend I have it all together,
You reign over everything,
So this is me surrendering.

TURNAROUND

VERSE 3

All I want is control;
Just wish I could do more.
Wish I could change everything
And mend every ripping seam.

PRE-CHORUS > CHORUS 1 > CHORUS 2

INSTRUMENTAL

BRIDGE 1

Lord, You're fully in control
Like You've always been before.
Even when You don't feel close,
I know You're right here,
For You are always near.

BRIDGE 2

When I'm hurting, You hold me close,

**Surrendering - Intro, V1, V2, PC, C1, C2, Turn, V3, PC, C1, C2, Inst, B1, B2, B3,

Closer than I've ever known.
For nothing in this world
Could satisfy my soul
Like Your love, unconditional.

BRIDGE 3

You always stay the same
Through each and every day.
Nothing could ever make You change.
I surrender to Your grace,
What a beautiful exchange

CHORUS 1

This is my prayer of surrender,
Cause I'm hurting more than ever
And I've tried everything,
Now I'm just on my knees.

CHORUS 2

This is my prayer of surrender,
Can't pretend I have it all together,
you reign over everything,
So this is me surrendering.
