There is truth when You speak and power in Your whisper
Nothing sounds quite like You
Your sheep hear Your voice, somehow we still wander
Teach us to hear You

With a voice like the waves and eyes like a flame
I'm lost in Your glory
Swept up in Your wonder, my God there's no other
Your presence consumes me

Your eyes follow me wherever I go
There's no place that I'm hidden from You
Lord guide my eyes back into Yours
Teach me to see You

Oh how I adore You
