VERSE 1

Grace found me in the night
The curtains draw back
And light comes rushing in
Faith holds me in the trial
The darkness bows down
And peace comes flooding with the
Light of who You are
I am running through the light Of who You are

CHORUS 1

I will take up my cross
I will follow You
I will follow You, I will follow You
I will take up my cross
I will follow You
I will follow You, I will follow You

VERSE 2

Joy overwhelms my heart
The fear cannot remain
Your strength empowers me
Love heals every scar
Bitterness fades away
And peace comes flooding with the
Light of who You are
I am running through the light Of who You are

CHORUS 1

REFRAIN (2X)

I will follow You
I will follow You

BRIDGE (3X)

I deny myself just to know who You are
I lay down my life to live in Your light
I surrender all that I've been holding
You're the one who satisfies

I will take up my cross
I will follow You
I will follow You, I will follow You
I will take up my cross
I will follow You
I will follow You, I will follow You
