INTRO

VERSE 1

I thought I knew what I was after,
Only chasing counterfeits.
All along they were just distractions
From the real thing, the real thing.

INTERLUDE

VERSE 2

All this driving left me tired,
Nothing satisfied my thirst,
'Til I drank Your living water
And I found the real thing, the real thing.

TAG 1

You're the real thing, the real thing.

CHORUS

I'm taking all the things I hoped in,
All my false fulfillments,
And lay them at the feet of Jesus.
Cause I know deep inside of my soul,
You've always been enough, Lord.
You're the one I'm made for, Jesus.

INTERLUDE 2X

VERSE 3

I've never known a love so filling.
You're everything I need and more.
Can finally say I'm truly living
Here in the real thing, the real thing

TAG 2

This is the real thing, the real thing.

CHORUS

BRIDGE

Wonderful, beautiful, sustainer of my soul,
Father of the prodigal, the place that I call home.
Marvelous, glorious, giver of life,
Providing, abounding, treasure of mine.

INTERLUDE 2X

VERSE 4

Now I'm never looking backwards,
I found what I was searching for,

The Real Thing - Intro, V1, Inter, V2, Tag1, C, Inter×2, V3, Tag2, C, B, Inter×2, V4, Tag3, E
