INTRO (2X)

VERSE 1

You call me Your most beautiful creation
When I look up at the mountains towering in majesty
How could I believe that You've called me to rule them
Oh how I feel so small and mighty with them next to me

INTERLUDE

CHORUS 1

Our stronghold defender
Redeemer, my savior
You see me, You hear me
and You tell me You choose me

VERSE 2

When I watch the ocean waves mighty and roaring
Bringing in the new and pulling out the old
How could I believe You love me more than
The seas that show me just how deeply I am loved

INTERLUDE > CHORUS 1

CHORUS 2

You've captured my heart
I surrender Lord I'm yours
I'm unclean but You've washed me
and You tell me You choose me

Stars never stand against You
Trees never betray You
The wind and the sea only obey You

I, I only sin against You
Three times did I betray You
And oh, I only disobey You
You still choose me, You still choose me
